ABOUT POLISH ASSISTANCE

Polish Assistance, Inc. is a non-profit organization, which since 1956, has been providing financial assistance to persons of Polish origin who are facing unforeseen hardships. Recipients receive help in meeting daily expenses, usually to supplement low social security payments or to cover extraordinary medical bills. Beneficiaries include the homeless, people undergoing medical treatment and the handicapped who are unable to care for themselves. Polish Assistance also assists the elderly heroes who took part in The Warsaw Uprising and who continue their involvement in many Polish causes. To accomplish this, Polish Assistance solicits donations through dues and a series of fundraising activities. Polish Assistance, Inc. is recognized as a 501(c)(3) organization by the IRS.
